

10 years of FTA research for people and the planet

FTA Final Event

9th of December
13:00-16:00 CET

AGENDA

RESEARCH
PROGRAM ON
Forests, Trees and
Agroforestry

REGISTER HERE!

Opening 13:00-13:10

13:00 Opening by **Robert Nasi** – *CIFOR Director General and CIFOR-ICRAF Managing Director, and former FTA director (2011-2016).*

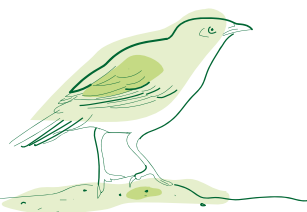

13:05 Presentation of FTA highlights: structure, relevance, topics, where to find, etc.
Vincent Gitz – *FTA Director.*

Trees, Agroforestry, Forests for biodiversity and food systems 13:10-13:50

Chair: Linda Collette, ISC member

- 13:10 Highlight #2** Tree Seed and Seedling Systems for Resilience and Productivity, **Ramni Jamnadass**
- 13:15 Highlight #3** Conservation of Tree Biodiversity and Sustainable Forest Management, **Barbara Vinceti**
- 13:20 Highlight #4** Forest and Landscape Restoration, **Manuel Guariguata**
- 13:25 Highlight #5** Food Security and Nutrition, **Amy Ickowitz**
- 13:30 Highlight #6** Wild Meat, **Julia Fa**

Discussion: Emerging needs and issues 13:35-13:50

Trees, Agroforestry, Forests for Livelihoods 13:50-14:30

Chair: Rene Boot, Tropenbos and ISC member

- 13:50 Highlight #7** Trees on Farms to improve livelihoods and the environment, **Eduardo Somarriba**
- 13:55 Highlight #8** Biomass, Bioenergy and Biomaterials, **Li Yanxia**
- 14:00 Highlight #9** Improving Rural Livelihoods through Supporting Local Innovation at Scale, **Fergus Sinclair**
- 14:05 Highlight #10** Sustainable Value Chains, Finance and Investment in Forestry and Tree Commodities, **Michael Brady**
- 14:10 Highlight #15** Advancing Gender Equality and Social Inclusion, **Marlène Elias**

Discussion: Emerging needs and issues 14:15-14:30

Trees, Agroforestry, Forests for Climate Change and SDGs 14:30-15:05

Chair: Florencia Montagnini, ISC member

- 14:30 Highlight #11** REDD+: Combating Climate Change with Forest Science, **Christopher Martius**
- 14:35 Highlight #12** Adaptation to Climate Change with Forests, Trees and Agroforestry, **Alexandre Meybeck**
- 14:40 Highlight #13** Multi-Functional Landscapes for Sustainable Development, **Lalisa Duguma**
- 14:45 Highlight #14** Governing Forests, Trees and Agroforestry for Delivering on the SDGs, **Beria Leimona**

Discussion: Emerging needs and issues 14:50-15:05

Results and impact 15:05-15:25

Chair: Plinio Sist CIRAD

- 15:05 Highlight #16** Capacity Development, **Andrew Wardell**
- 15:15 Highlight #17** MELIA and Impact Studies, **Brian Belcher**

Chair: Vincent Gitz, FTA Director

What roles for Forest, trees and agroforestry research, as part of the urgent action agenda. Knowledge gaps and ways to continue the mission, what comes next?

Panel discussion with:

Anne-Marie Izac (ISC Chair)

Plinio Sist (CIRAD)

Bas Louman (Tropenbos International)

Li Xuejiao (CAF)

Erich Schaitza (Embrapa)

16:00 End of event
