Where is FLEGT coming from?

(Forest Law Enforcement, Governance, and Trade)

Facing Reality

How to halt the import of illegal timber in the EU

GREENPEACE

A pragmatic (public policy) response

Bilateral Trade Agreement with producer country X: timber exported with licence

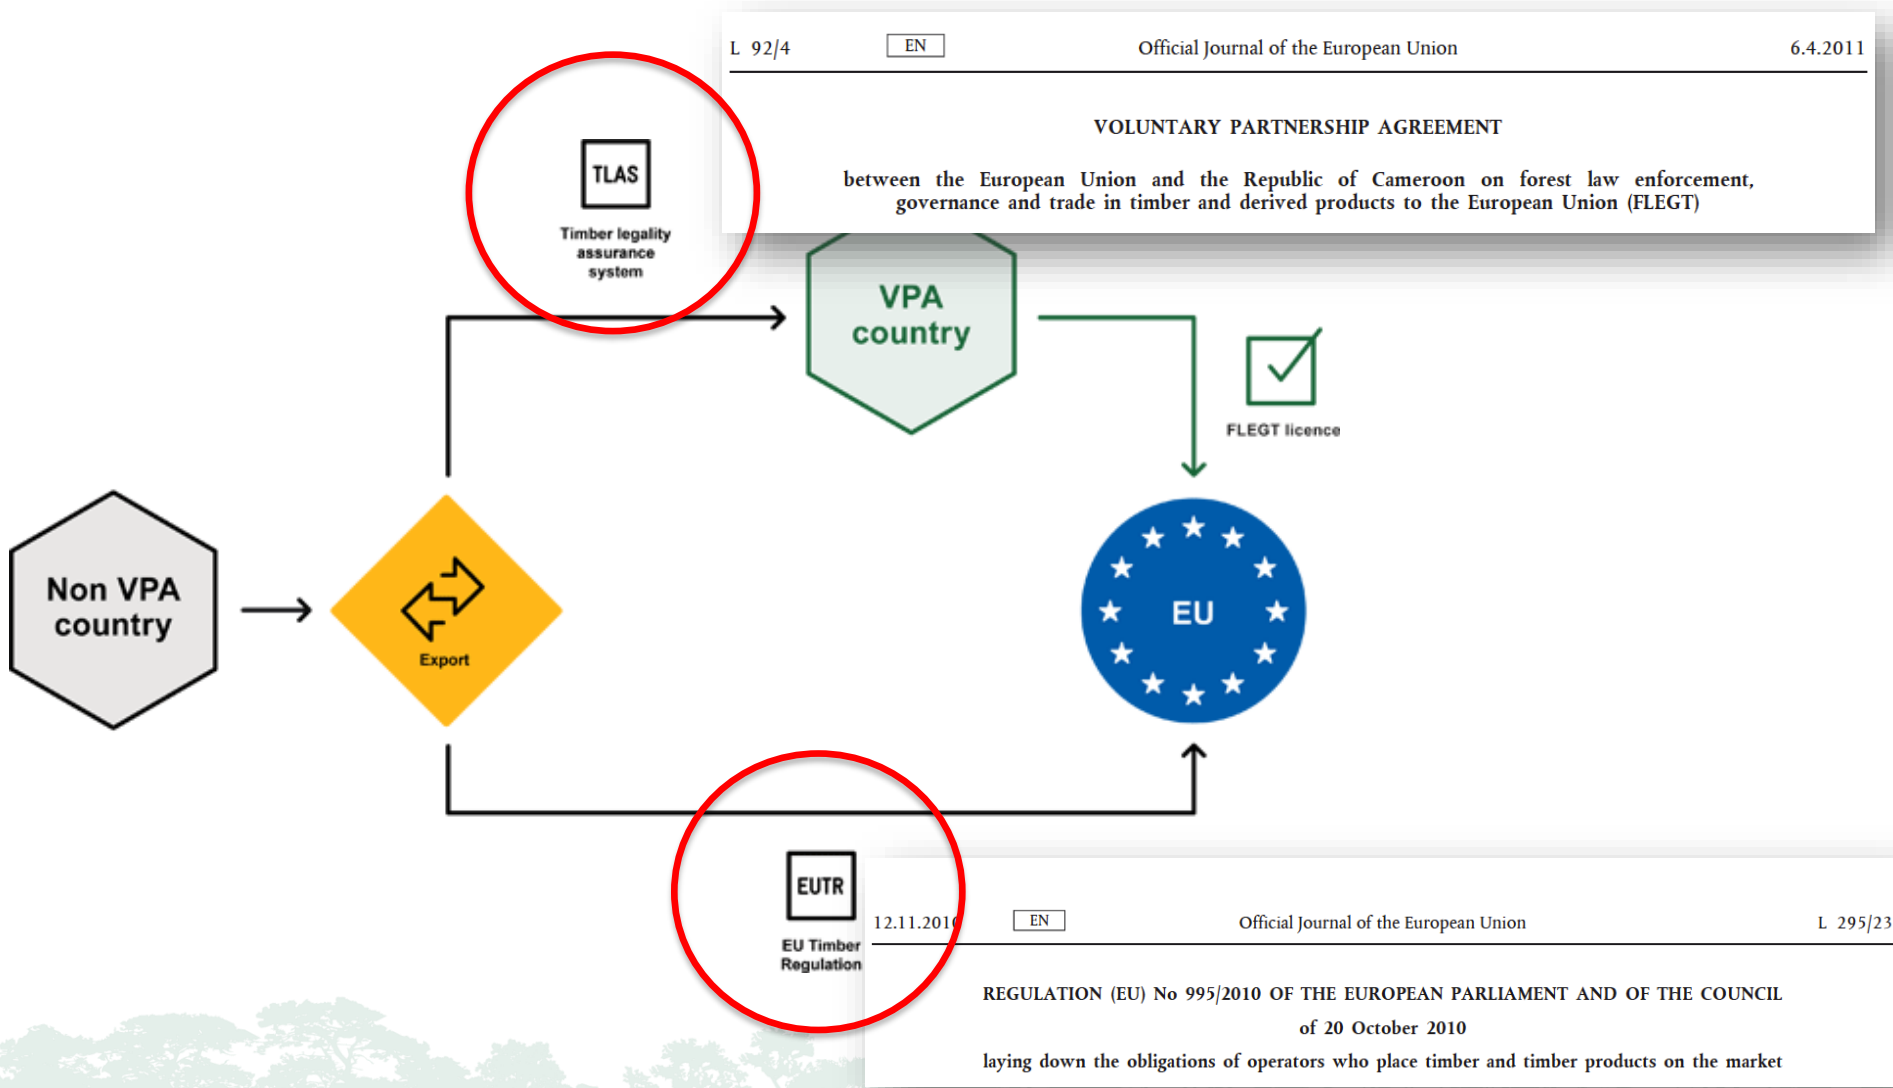

No bilateral Trade Agreement with producer country Y: timber exported without licence

FLEGT Licence

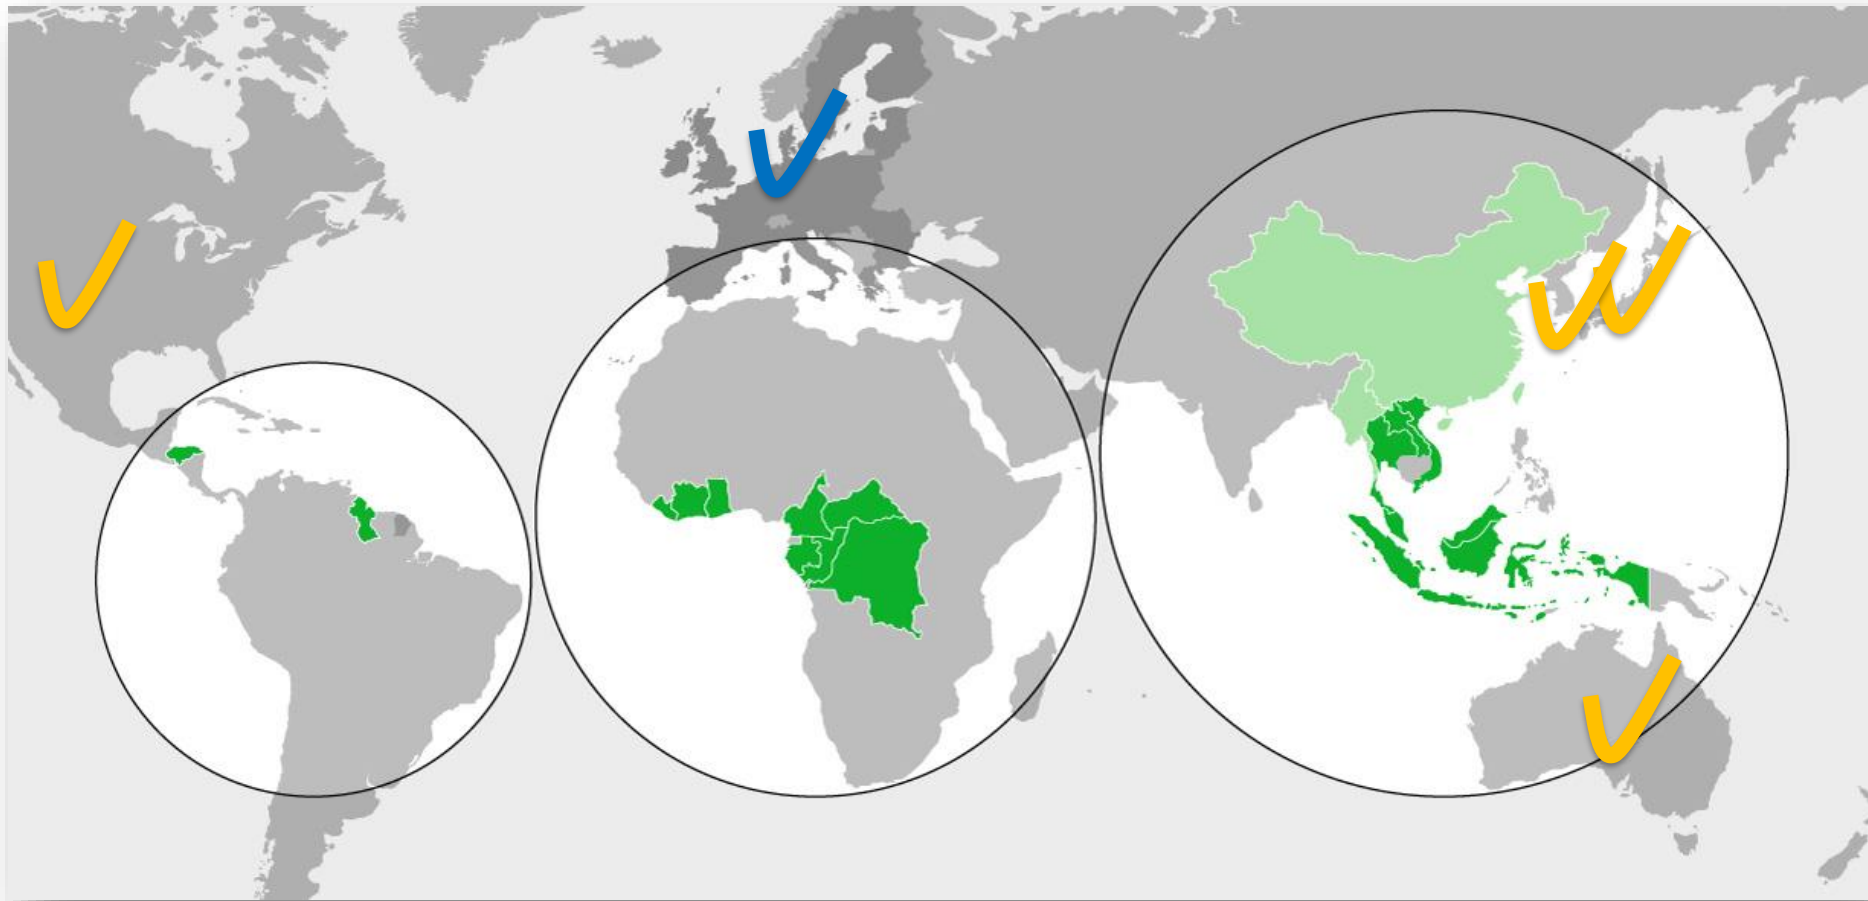

No Licence

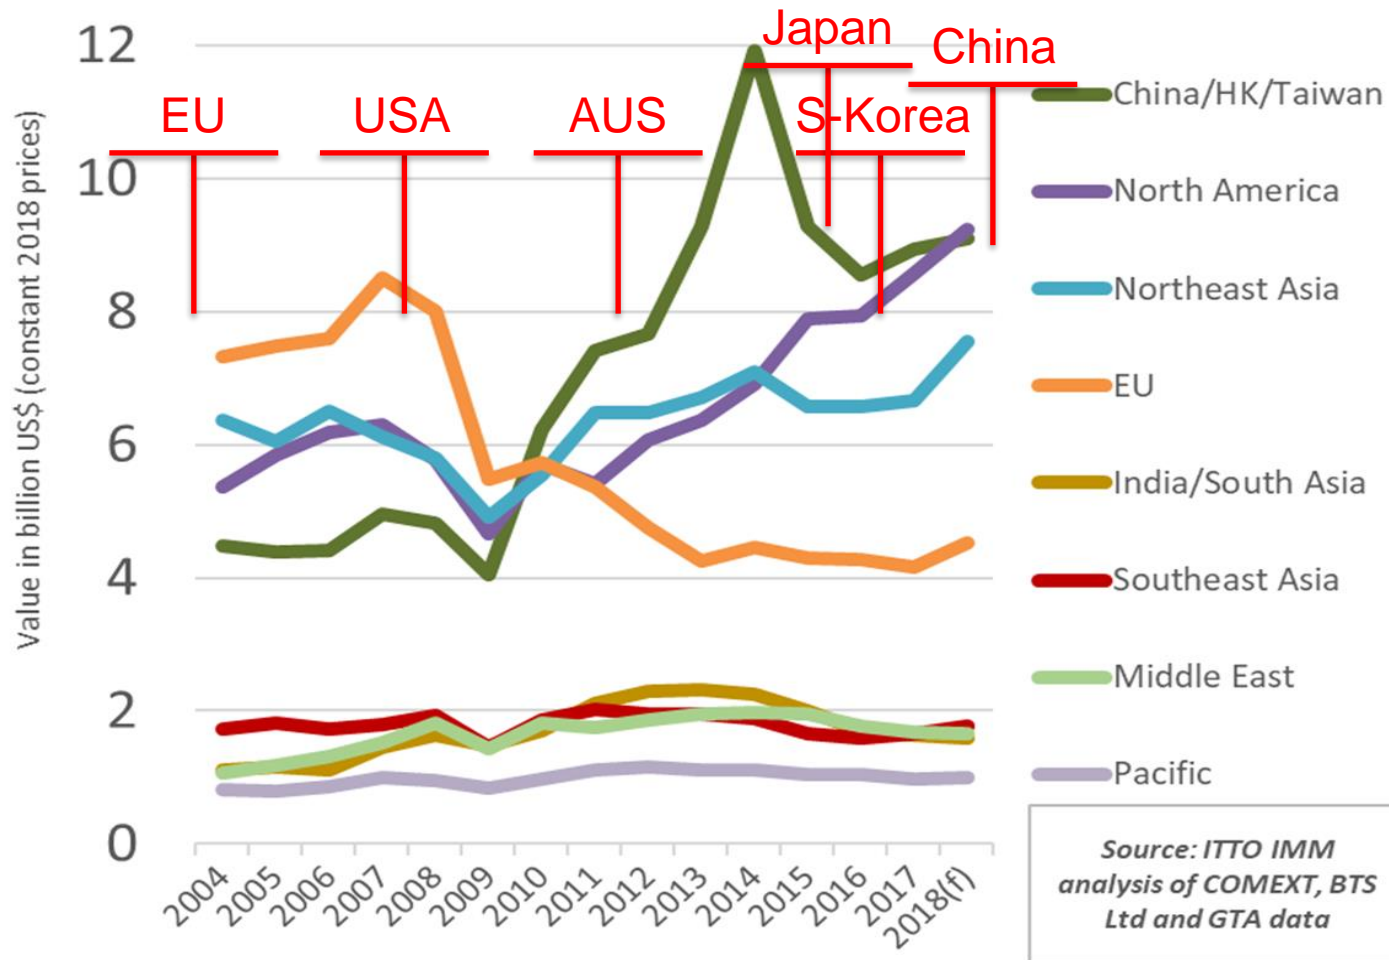

How it works

FLEGT-VPA and “engaged” countries

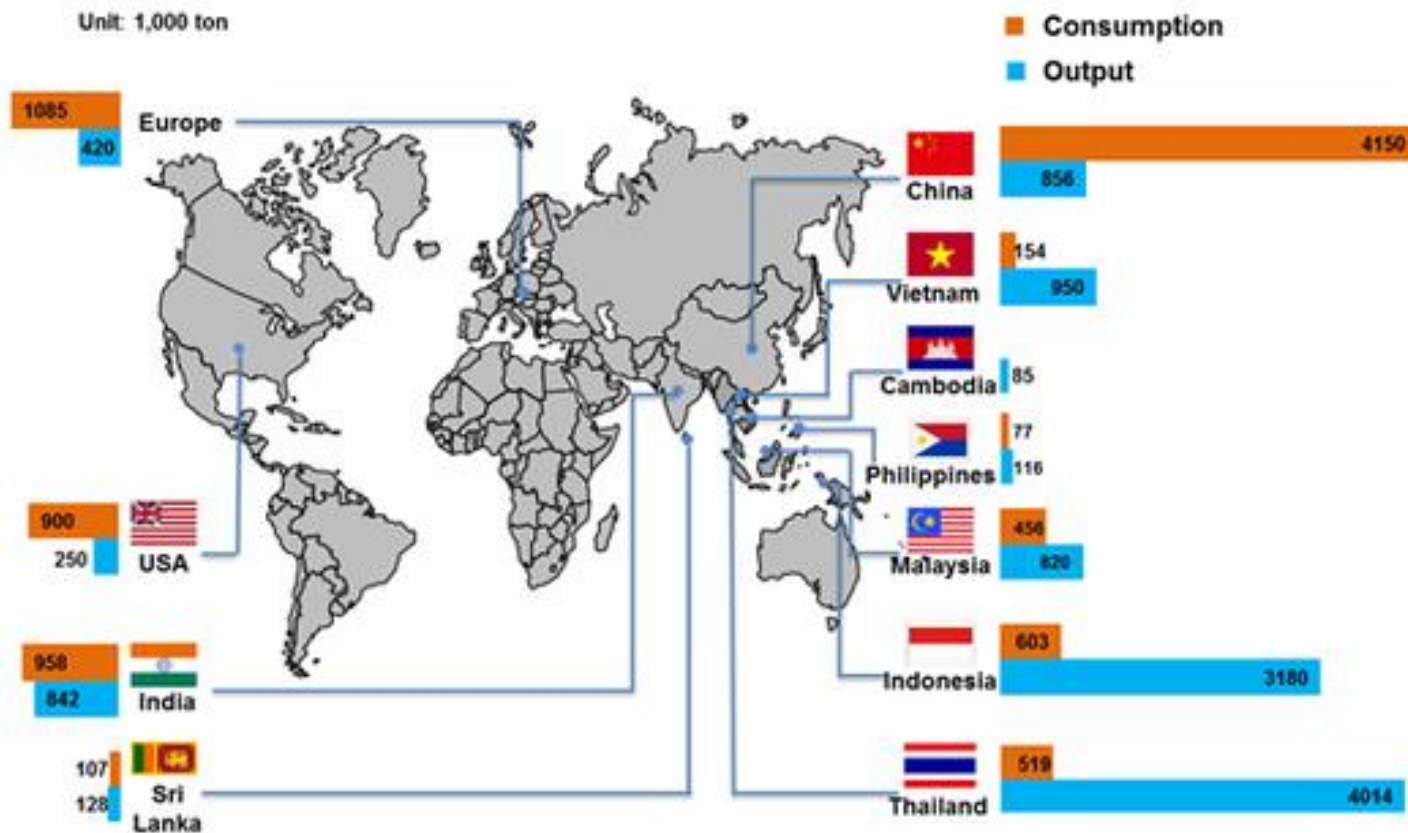

Tropical wood product imports by global region 2004 to 2018

Natural Rubber Output and Consumption of Major Countries, 2013

Unit: 1,000 ton

Note: U.S. and European natural rubber output data are predicted
